

# Tipperary Visit:

Sunday - June 12<sup>th</sup>

A strong turnout from the SMFC recently visited the Tipperary Club (*Limerick Junction*). The weather was good enough to allow a complete days flying.

Leslie Cowpar and Gerry Buckley gave a gliding demonstration (*towed to height and released*) while William Gaule and Liam gave an impressive demonstration of helicopter flying.

Some excellent models were on show at the Tipp Club including a Piper Cub (used for glider towing) and a Stearman Biplane.

David McCaffery completed his 'B-Cert' on the day - congratulation Dave!

Excellent hospitality was on hand, including a barbecue.

Many thanks to Leslie for organising the meet and a special word of thanks to **Gordon James** at the Tipp Club for making us feel most welcome on the day.

A final word of thanks to **all** the SMFC members who turned up on the day helping to make the event a worthwhile outing.
